Make your own picture equation

Draw two groups. Choose + or -. Then write and solve your number sentence.

Name: _____

Date: _____

FIRST GROUP

SECOND GROUP

+ / -

MY NUMBER SENTENCE

WRITE THE ANSWER

Start with your answer here.

Grown-up notes and answer key

Use one page at a time. Count aloud and let the child point before writing.

Name: _____

Date: _____

Suggested ages

Ages 3-6 with adult guidance. The picture equations stay within five and use large writing guides.

Answers

Pages 2-9: 2, 3, 4, 5, 3, 4, 3, 3. Page 10: 2, 3, 4, 3.

Say it aloud

Model the full sentence: one ghost plus one ghost equals two ghosts. Then count the answer together.

Writing support

Trace first. If writing is tiring, complete only one blank line or use a dry-erase sleeve.

Language-friendly

Count in a familiar home language first, then repeat the picture name and number in English.

Classroom use

Free for personal, school and classroom activity use. Do not resell or redistribute the PDF as your own resource.
